

MISSION STATEMENT

Mackay Office Cleaning will conduct its business in a manner that will provide the maximum benefit to its customers, employees and the community. We will strive to satisfy these diverse interests through sustained growth in sales, jobs and profit, whilst maintaining a strong financial base.

We will function in a manner, which will preserve the dignity and wellbeing of its employees and their families through these guiding principles:

- a) The maintenance of compensation and benefit programs equal to, or better than those of other leading cleaning companies;

And

- b) The provision of opportunities for individual performance recognition, advancement, creativity and job satisfaction in an environment of open communication, participative management and team work.

In all its undertakings, Mackay Office Cleaning will retain its emphasis on quality and strive to develop an outstanding corporate reputation for excellence.

We will strive to provide services, which meet the highest standards of quality and safety toward the community, the environment & each other. We will continue to support programs designed to upgrade skills of employees and staff in all our operations, and strive for maximum sustainability.
